Description

Steps to Reproduce:

1. Go to: https://the-internet.herokuapp.com/login
2. Enter Username: `tomsmith`
3. Enter Password: `SuperSecretPassword!`
4. Click the **Login** button
5. Click the **Logout** button
6. Press the **browser Back** button

✅ Expected Result:

User should not be able to access the secure area again.
System should redirect to login page.

❌ Actual Result:

User is able to access secure content by clicking the browser back button after logout.
